Addendum No. 4

Attachment A
Revised Specifications

00 42 10
SCHEDULE OF VOLATILE MARKET ITEMS
(Addendum 4)

~~In accordance with paragraph 00 20 00 14.02, the bidder proposed that the named items of major materials will be supplied by the manufacturers or suppliers as written in by the bidder. Prices are manufacturers or suppliers pricing without installation costs or markup.~~ In accordance with specification section 00 80 00 section 11.04, subsection B.4, Owner will adjust for price escalation/descalation as detailed below (Addendum 4).

This form, 00 42 10, shall be submitted on bid day.

All fees, overhead, and profit for Volatile Market Items are fixed and shall be included in the Lump Sum Elements of the Work as listed on 00 41 00 Bid Form 5.01A.

Each line item shall be an independent price and not dependent on any other bid line item. If the Owner determines that any of the suppliers' prices are unbalanced to the detriment of the Owner the proposal will be rejected.

Adjustments will be made to the items below based on the BLS-PPI Indexes listed, effective within 5-days of approved (NET/MCN) submittals.

Electrical components (e.g.i.e., conductor, cable, and conduit / 26 05 13, 26 05 19, 26 05 26, 26 05 33, 26 05 39 (Addendum 4)) will be cost-based where actual incurred costs are compared to three sealed quotes provided at bid opening. Contractor shall obtain three new quotes for electrical components upon approved (NET/MCN) submittals. A change order will be issued, whether additive or deductive, based on the pricing differential from bid opening to approved submittals.
